

## **Fringe Benefits – Pipe Trades**

This document outlines pension, health, and trust fund requirements for contractors employing members of UA Local 41. It consolidates all Pipe Trades fringe benefit information into one contractor-facing reference.

### **Plumbers & Pipefitters National Pension Fund**

Local 41 will forward contractor information to the National Pension Fund. If you are not contacted, please reach out directly to complete setup. Once enrolled, contributions may be submitted online.

103 Oronoco Street  
Alexandria, VA 22314-2047  
Website: <https://uanpf.org/>

### **Pipe Trades Trust (Health and Welfare)**

Contractors must submit the initial completed enrollment form provided by UA Local 41, including first month hours and payment, to establish their account. Once enrolled, monthly remittance forms will be mailed or may be completed online.

Pipe Trades Trust / Rehn & Associates  
P.O. Box 5433  
Spokane, WA 99201  
Website: <https://www.pipetradetrust.com/>

### **Pipe Trades Pension of Montana**

Contributions to the Pipe Trades Pension of Montana are administered by Rehn & Associates and must be remitted separately from health and welfare contributions.

Pipe Trades Pension / Rehn & Associates  
P.O. Box 5433  
Spokane, WA 99201  
Website: <https://www.pipetradetrust.com/>

### **Idaho Pension**

Contractors enrolling employees in the Idaho Pension must obtain a \$5,000.00 surety bond. Bonds are typically available through insurance agents that sell workers' compensation insurance.

If you have any questions regarding the Idaho Pension, please contact:
